B tantalized!

We've talked about it for quite some time; now it's finally happening! Renovations of Perspectives Restaurant, Options Bar and our Lounge are underway. And rest assured – we are working on something very special...

Our Options Bar will be transformed into a Jazz Lounge; our new Chef de Cuisine for Perspectives Restaurant – Kyle Christofferson – is introducing mouth-watering new menus, in cooperation with our Executive Chef Clifford Lyness and much more.

Perspectives Restaurant is going "under cover" for a few weeks... for sneak previews and all the details see our Facebook page.

These renovations are expected to cost up to \$450,000 and will result in a new, refreshed offering for clients of Perspectives Restaurant and Options Jazz Lounge.

Over the past year, Brookstreet has reinvested over \$1,200,000 in an effort to ensure sensational guest experiences. Enhancements include: new HDTVs in all guestrooms, new beds and linens (to be installed by the end of the year), replacement equipment within the kitchen, and enhanced wireless Internet infrastructure.

We look forward to the completion of these and other projects in order to better serve our guests!

Executive Vice-President

Update from The Marshes Golf Club

This has been a great year and a milestone in our operations having celebrated the 10th Anniversary of The Marshes Golf Club in early September. Thank you all for your continued support. The Marshes Golf Course & MarchWood Golf Course have now been closed for the 2011 season. We proceed with repairs, fall preparations and maintenance programs on both courses to ensure great conditions for 2012.

The 2012 renewal opportunities and offerings are available online and through our Head Professional Andrew Donaldson at 613.271.3378. We offer incentives for early renewals and referrals, given we have a limited amount of VIP positions for the 2012 season.

The Ironstone Restaurant and the Banquet / Meeting space will remain open for lunch, private functions and business meetings until the holiday period with hours of operation posted on the website, front entrance and by calling our **Food and Beverage Manager Nancy ten Holder** at 613.271.3379.

Lumière 2011: Another Huge Success!

On September 7, 2011 the 9th Annual Lumière Gala was another huge success with over \$55,000 raised towards The Ottawa Hospital Foundation. These proceeds will help The Ottawa Hospital Foundation bring the da Vinci surgical system to The Ottawa Hospital. This robotic surgical system is most often used for prostate cancer surgery, but it may also be used for gynecological, cardiac and general surgeries as well as research. Its minimally invasive approach to surgery means patients regain their quality of life faster and with fewer complications – an outcome we can all feel good about.

Our heartfelt thanks to all of our sponsors and donors who helped make our 9th annual gala another huge success!

Lumière

Over the last 9 years, we've raised more than \$310,000 with our Annual Lumière Gala and another \$162,000 towards Cancer Research. Thank you for helping Brookstreet give back to the community!

THE STANLEY CUP CAME TO THE MARSHES...

Have you ever dreamed of holding up the Stanley Cup? We had the pleasure this summer when hosting Peter Chiarelli's family party. After leading the Boston Bruins to the Stanley Cup Finals – and taking home the Cup – Chiarelli brought it to Kanata and hosted a family gathering to celebrate.
